

Ready to Take the Next Step?

The WNY Senior OEC program challenges patrollers to refine their patient care, decision-making, and leadership skills in realistic scenarios.

- Build confidence under pressure
- Strengthen leadership and communication skills
- Train with patrollers from across the region
- Take your patient care to the next level

Includes orientation, multiple on-hill clinics, and a final evaluation

"The most challenging and rewarding training I've done on patrol." - Dave

Interested in participating next season?
